Thank you for your email, received on 22 October 2025, to Oranga Tamariki—Ministry for Children (Oranga Tamariki), requesting the following information under the Official Information Act 1982 (the Act):

*I am writing to request information under the Official Information Act 1982 regarding funding and investment data relating to contracted services or grants from your agency with a start date between 2022–2025, specifically in the Southland Region.*

*I would like to request, if possible, that the information be provided in a single, workable format (e.g. spreadsheet or CSV), with the following fields included where available (a template has been attached):*

- *Key agency funder*
- *Fund/service name*
- *Fund/service purpose*
- *Provider*
- *Charities Registration Number (if applicable)*
- *Region*
- *Territorial Local Authority (TLA)*
- *Servicing location or focus cohort*
- *Amount funded*
- *Contract start date*
- *Contract end date.*

Thank you for your patience as our team has worked to provide a response to you.

Please find attached as **Appendix One** information identified in scope of your request. We consider that we have provided what you have requested under the below listed fields:

- Provider ID
- Provider Name
- Programme Type Description
- Service Type
- Focus Cohort
- Primary Locality
- Contract Start Date
- Contract End Date
- FY2021/22
- FY2022/23

## IN-CONFIDENCE

- FY2023/24
- FY2024/25

For context, please note:

- where a service shows more than once for a provider with funding showing in different years, this shows a change in contract/agreement, but a continuation of the contracted service provision
- where a specific service with a provider shows only in one financial year, this is due to time-limited funding for a specific one-off provision
- where a specific service with a provider shows in earlier financial years only, this is due to the ceasing of service provision for realignment and changes in Oranga Tamariki contracted investment
- a provider may have changed entity/legal name and be showing more than once in the table across the requested timeframe.

Please note the information provided does not include the Charities Registration Number, as this is not information held or recorded by Oranga Tamariki. However, this information is publicly available through a search of the Charities Register [here](#).

Should you wish to discuss any part of your request with us, please do not hesitate to contact us at [OIA\\_Requests@ot.govt.nz](mailto:OIA_Requests@ot.govt.nz).

If you are not satisfied with this decision, you have the right to ask an Ombudsman to review it. Information about this process is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or by contacting them on 0800 802 602.
