Thank you for your email, received on 15 December 2025, to Oranga Tamariki—Ministry for Children (Oranga Tamariki) requesting information on housing circumstances for young people. Your request has been considered under the Official Information Act 1982 (the Act).

You have requested:

1. *Number of tamariki aged between 10 and 17 in Care and Protection Residential Services*
2. *Number of rangatahi in Youth Justice residences*
3. *Number of children and young people supported by Oranga Tamariki who are living in temporary housing situations*
4. *What follow up is conducted for children/young people after they leave Oranga Tamariki services. Any checks made on housing situation post-service. Any reports on housing situation at ages 21 and 25 years.*
5. *What data does Oranga Tamariki capture on housing situation and/or homelessness of child and parent/caregiver when child(ren) enter service.*
6. *What data does Oranga Tamariki capture on housing situation and/or homelessness of child and parent/caregiver when child(ren) are discharged from your service.*
7. *Number of children who are unable to return to parent(s)/caregiver as the parent(s)/caregiver does not have stable housing.*

Further, you have requested the data to be broken down by the following factors:

1. **Temporal:** *Monthly data from January 2017 to December 2025 (if not available by month, please provide by year)*
2. **Geographic:** *By region, using either:*
 - *Territorial Local Authority (TLA) boundaries, OR*
 - *District Health Board regions (pre-2022), Health NZ/Te Whatu Ora localities (post-2022)*
3. **Demographic:**
 - *Gender (including categories as recorded in your system)*

IN-CONFIDENCE

- *Age group (preferably: 0-17, 18-24, 25-44, 45-64, 65+, or as categorised in your data systems)*
- *Ethnicity (using Stats NZ standard prioritised ethnicity categories: Māori, Pacific Peoples, Asian, MELAA, European/Other, or the prioritisation methodology used in your data collection)*

I have responded to each part of your request below.

1. *Number of tamariki aged between 10 and 17 in Care and Protection Residential Services*
2. *Number of rangatahi in Youth Justice residences*

Please find attached as Appendix One a spreadsheet containing the requested information. This spreadsheet is split into multiple sheets, outlining data for Care and Protection Residential Services and Youth Justice residences, with each category broken down by total numbers across all residences, per residence, by gender, by ethnicity, and by age. Please note that these numbers are as at the last day of each month, as this is the most reasonable metric by which to assess general occupancy over a period of time – a rolling daily average would constitute substantial collation.

Please also note that any cells with a value of five or fewer have been suppressed (as denoted by the letter S in the cell) in line with guidance from Stats NZ, in order to protect the privacy of natural persons who may otherwise be identified through such data.

Your request for cross-tabulated data is refused under section 9(2)(a) of the Act, to protect the privacy of natural persons. The cross-tabulation of this data results in exclusively numbers of five or fewer, meaning the data set would need to be suppressed in full regardless.

3. *Number of children and young people supported by Oranga Tamariki who are living in temporary housing situations*

The requested information would be held in case notes for individual children and young people, as it would relate to their specific cases. Collating this information would require a manual review of all case notes held by Oranga Tamariki. As such, this part of your request is refused under section 18(f) of the Act, on the grounds that the information requested cannot be made available without substantial collation or research.

However, as context and to show proportions of care arrangements, we are able to provide data regarding placement types for children and young people in care in case this is useful. Please see the below table. This data is as at 31 October 2025, as this was the most recent data available at the time of your request.

Placement type	Number of children / young people
Family / whānau placement	1589
Foster carer placement	669
Child and Family Support Services – Bednights	488
Other placement types	292
Interim placement	121

IN-CONFIDENCE

Placement type	Number of children / young people
Whānau care partner	52
Family home placement	50
Residential placement – placed on C&P orders	9
Remand home	3

4. *What follow up is conducted for children/young people after they leave Oranga Tamariki services. Any checks made on housing situation post-service. Any reports on housing situation at ages 21 and 25 years.*

When Oranga Tamariki have worked with whānau around addressing care and protection concerns¹, an assessment is undertaken that provides a holistic rationale for Oranga Tamariki to either close the file or recommend further intervention. As part of the assessment, stable housing would be a consideration. Oranga Tamariki routinely work with our partner agencies and community organisations who have an ongoing support role with whānau to meet their specific needs.

Housing issues alone are generally not child protection matters warranting ongoing Oranga Tamariki involvement. Loving parents trying their best to care for their children, but who are also experiencing housing insecurity, should be supported to address that need. If Oranga Tamariki receives a report of concern where housing is the only serious presiding issue, we will generally work to connect the whānau to Government and community organisations who can help rather than go down a child protection pathway.

After a case is closed, Oranga Tamariki does not have a legal mandate to make checks or hold data on housing situations for whānau we have formerly worked with.

For rangatahi who have been in our care or custody, eligible for the Transition Support Service, we are mandated to maintain contact until they are 21 and provide advice and assistance up until the rangatahi is 25, we talk more about this provision in the response to question 6.

5. *What data does Oranga Tamariki capture on housing situation and/or homelessness of child and parent/caregiver when child(ren) enter service.*

The requested information would be held in case notes for individual children and young people, as it would relate to their specific cases. Collating this information would require a manual review of all case notes held by Oranga Tamariki. As such, this part of your request is refused under section 18(f) of the Act, on the grounds that the information requested cannot be made available without substantial collation or research.

Any published work regarding housing can be searched for on the Research and insights page on the Oranga Tamariki website, available [here](#). Of particular relevance may be the Oranga Tamariki Action Plan: Supported Accommodation Review, [here](#), and the page on accommodation options for rangatahi leaving care, [here](#). These do

¹ This is where we are working with a whānau to address care and protection concerns, not where the tamariki or rangatahi are in the Custody of the CE.

IN-CONFIDENCE

not specifically refer to housing or homelessness but contain information that you may find useful.

- 6. What data does Oranga Tamariki capture on housing situation and/or homelessness of child and parent/caregiver when child(ren) are discharged from your service.*

Oranga Tamariki do not hold structured data on the individual housing situation for tamariki and rangatahi who have had their custody orders discharged by the Family Court or Transitions eligible young people after they have left the care of Oranga Tamariki at age 18, as this information is held in individual plans. As such, this part of your request is refused under section 18(f).

Where a tamariki or rangatahi has their orders discharged prior to them turning 18, significant planning and support arrangements are established first. This includes ensuring access to stable housing, education, GP services and any other services that are appropriate. The plan presented to the Family Court outlines what the situation will be for the tamariki or rangatahi, including who they will live with and where. In order for the Family Court Judge to agree to discharge the Custody order they would need to be satisfied that the plan was robust and in the best interests of the child. The Lawyer-for-Child would usually have to be in support of the plan also.

Eligible young people transitioning from Oranga Tamariki care or custody to adulthood are able to access the Transition Support Service, which includes the entitlement to Remain or Return living with a caregiver, until the age of 21. More information is available [here](#).

The Transition Support Service also provides continued follow up and support after young people leave care up until the age of 25. Young people can choose to have a community-based transition worker who is available to work with them until they are 21. For those that do not have a transition worker, the team at our Transition Assistance Helpline will maintain contact and offer advice and assistance until they are 21. Young people can contact the Helpline for advice and assistance up until the age of 25 years. This includes support with accessing and maintaining accommodation. More information is available [here](#).

Contracted providers delivering transition worker services report on the number of young people they are working with that are in safe and stable accommodation as part of their quarterly service reporting. As such, this part of your request is refused under section 18(g)(i), on the grounds that we do not hold the information requested and do not have reason to believe it is held by another department.

- 7. Number of children who are unable to return to parent(s)/caregiver as the parent(s)/caregiver does not have stable housing.*

The requested information would be held in case notes for individual children and young people, as it would relate to their specific cases. Collating this information would require a manual review of all case notes held by Oranga Tamariki. As such, this part of your request is refused under section 18(f) of the Act, on the grounds that the

IN-CONFIDENCE

information requested cannot be made available without substantial collation or research.

A Fast Track housing initiative was introduced between Oranga Tamariki, the Ministry of Social Development and Kainga Ora in 2019. The agreement sets out eligibility for social housing, which is assessed by the Ministry of Social Development.

Caregivers, whānau or family who are eligible for public housing and who meet the criteria with regard to a 'specified child or young person' will be fast tracked and placed at the highest priority rating for public housing. More information is available [here](#).

Oranga Tamariki may make the information contained in this letter available to the public by publishing this on our website with your personal details removed.

I trust you find this information useful. Should you have any concerns with this response, I would encourage you to raise them with Oranga Tamariki. Alternatively, you are advised of your right to also raise any concerns with the Office of the Ombudsman. Information about this is available at www.ombudsman.parliament.nz or by contacting them on 0800 802 602.

Main Caveats

Data Point	Description
Regions	The data provided is up to the most recent financial year period shown and allocated according to Oranga Tamariki Regions. To reduce the likelihood of identification of individual persons, all data is presented at the regional level only.
"YJ/Other" or "C&P/Other"	Denotes where the child's or young person's social worker is attached to a Youth Justice and/or Care and Protection site. "Other" denotes reports of concern received at the Contact Centre or Adoptions but not yet allocated to a site.
Ethnicity	<p>Ethnicity data is based on combined prioritised ethnicity, prioritising Māori and Pacific. Other ethnicities for those without Māori or Pacific heritage are recorded in Other. Descriptions of the ethnic groups used for reporting are:</p> <p>Māori - children who identify Māori (but not Pacific) as one of their ethnicities;</p> <p>Māori-Pacific - children who identify both Māori and Pacific as their ethnicities;</p> <p>Pacific - children who identify Pacific (but not Māori) as one of their ethnicities;</p> <p>NZ Euro/Other - children who do not identify Māori or Pacific as any of their ethnicities, includes "New Zealand European"</p> <p>To get the total number of tamariki Māori - add the total Māori group and the total Māori-Pacific group. Similarly, the total number of Pacific children is the sum of the Pacific group and the Māori-Pacific group.</p> <p>Other than for reports of concern, in most cases the parent(s) have identified the ethnicity, and in some cases Oranga Tamariki may have identified the ethnicity based on knowledge of the family/whānau.</p> <p>Ethnicity of children and young people with reports of concern have been identified by the person/s making the report of concern and has not been verified by the family/whānau.</p> <p>NB: Ethnicity can be fluid and regular changes may occur, therefore totals for each ethnic group will change depending on date the data was extracted. Ethnicity data for these tables reflect the most recent categories and most recent extraction date.</p>
Children and Young People in the Care and Protection Custody of the Chief Executive	<p>The number of children and young people in the Care and Protection custody of the Chief Executive is as at the end of the month (eg as at 30 June). Each child or young person in the custody of the Chief Executive at the end of the month shown is counted only once and is therefore a distinct count.</p> <p>For ease of reference, the historical data is allocated according to Oranga Tamariki Care and Protection regions, which differ to Child, Youth and Family regions.</p> <p>Totals in these tables will differ to previously published data because they EXCLUDE Warrants ('S39', 'S40', 'S42', 'S45', 'S48'; of the Oranga Tamariki Act 1989). We now exclude warrants from custody data because warrants are generally less than 5 days.</p>
Care and Protection Residences	Residential placements are for rangatahi who are especially vulnerable and have complex needs, in cases where family/whānau placements are not considered appropriate for them at that stage. Residences are generally for rangatahi aged 12 and over and are relatively short-term. There are three Care and Protection residences across the country - Puketāi, Epuni and Te Oranga. They have a total capacity of 28 beds according to CYRAS. Note this total capacity of beds likely isn't 100% accurate. There are ongoing changes not always captured in CYRAS. Te Oranga is currently non operational, and Oranga Tamariki is progressing planning and readiness activities to re operationalise the residence in late 2026.
Age data	In some instances, legal records or placement records have been incorrectly end dated in CYRAS, meaning that some age data may be incorrect.

SPP Data Response

30.01.2025

We include occupancy as at last day of the month as a proxy for general occupancy, as a rolling daily average would be a substantial and new piece of work.

This work relates strictly residences under Care and Protection and Youth Justice Orders.

As such It excludes:

- Residential Placement - IDCC and R Act 2003
- Residential Placement - Mental Health Act 1992
- Residential Placement - NON OT Residence
- Specialist Group Home Placements

The data is provided as of date of extract (30.01.25), so may not reflect where self identified ethnicity or gender have changed over time, only present state.
