Kia ora Tania
Thank you for taking the time today to meet with me to discuss how we progress this contract with MUMA – also thank you for your time walking me through the mahi and referrals you are receiving from Oranga Tamariki and your relationship with our Otahuhu site.
On that basis – I agree with progressing with an agreement towards delivering services as outlined in this proposal for Oranga Tamariki with referrals coming from our Otahuhu site, but also from those sites connected to the mahi we are doing with Kotahi Ki whakaaro.
I don't propose any changes to the funding amount you've outlined here and after talking to the team – what we will do – is a standard service delivery contract. Darrin Haimona (DCE Maori Partnerships and Communiites), Tim Baldwin (Regional Manager South) and Tessa (our site Manager

Otahuhu) will draft the Oranga Tamariki contract on the basis of the proposal you've provided and on the basis of the referrals and mahi you have done for Oranga Tamariki over the next six months. The team will start this on Monday Tania and will do this as quickly as possible – aiming for a draft of a contract to you within a week.

Maanawatia a MatarikI!

Tena koe e te Rangatira,

Re: Multi-year funding for the delivery of Whanau Harm service

Thank you for your offer to fund Manukau Urban Māori Authority (MUMA), to deliver a multi-year contract for the delivery of whanau harm services to targeted individuals and their whanau in South Auckland. We look forward to the opportunity of addressing a critical problem in our community and given its magnitude and the need for an urgent response, feel that MUMA is well placed to provide the necessary support.

The increasing level of whanau harm in our community has been brought sharply into relief by the recent high number of ram raids and critical offending committed by youth, the majority of whom are Māori. Our services are provided by qualified social workers, community practitioners and Kaupapa Māori specialists who know how to work with whanau and rangatahi. We also have a network of external specialist providers with whom we regularly engage.

We propose to work with the [redacted] youth who are causing havoc in our community in South Auckland and wider Auckland region. We have the experience and capability to reach out to those clients and whanau and work with them and key agencies in a constructive and sustainable way. Our initial focus will be those who are with or have accommodation with whanau. As we do not have residential care facilities for the remaining 50% of youth who have no homes to go to, we will provide support for them as and where possible, e.g., cultural mentor support, tikanga and te reo sessions under supervision at their care units. Youth who are resident in care facilities will be provided for under our Family Centre Services programme and with support from our other rangatahi focussed services on an as needs basis.

Our solution of immediate whanau care

We intend to work closely with Police, Oranga Tamariki and Corrections to: -

s9(2)(b)(ii) [redacted]

s9(2)(b)(ii)

As you are aware, we currently provide a wide range of wrap around services that are directly aimed at supporting and strengthening whanau and in doing so addressing the key factors that contribute to whanau harm. Our pathway of services is comprised of multiple, integrated platforms that enable us to track in real time, the performance of clients as they progress through each assigned programme according to their client/whanau plan. We use a range of tools to measure success.

s9(2)(b)(ii)

Care for the whanau

MUMA intends to provide wraparound support for each whanau. They will enter our service delivery pathway which is fully prescribed with measurable service outputs and as with their tamariki, we will measure the shift effects for each whanau as they move across our services and on exit. As each client presents before MUMA's Te Pae Oranga Panel, some of the proposed wraparound services might already have occurred as we intend to establish effective relationships with whanau and their tamariki.

Levels of care

Some client and whanau needs can be addressed immediately, and others will take a longer duration depending on the intensity of harm with which they present. For example, some solutions like the provision of food, health care packs, referrals to health providers can be resolved within 24-48 hours. Other needs will require a medium (up to three to six months) and longer-term support.

Cultural support

MUMA is committed to culturally strengthening whanau and does so by providing marae-based services like te reo Māori (Te Reo Matahiapo programme), Tikanga Māori courses, community hui that are marae based etc. We know that a culturally empowered Māori is a strong Māori, and that ethos is embedded in all our services.

Resourcing

As we have not had an opportunity to fully assess the client's files, we are proposing at this stage an indicative budget as follows:-

Year one (commencing immediately on signing)

s9(2)(b)(ii) [redacted]

Total: $1,674,000.00

Year Two

s9(2)(b)(ii) [redacted]

Total: $1,674,000.00

Year Three

s9(2)(b)(ii) [redacted]

Total: $1,674,000.00

Explanatory Note:

The proposed annual cost of supporting a client and their whanau is [redacted]. This is a relatively modest estimate given that the cost of processing a client through to and including incarceration is well in excess of that amount.

The provision for social workers is based on the current base sector salary of $80-90k and allowing for resourcing to support that role.

s9(2)(b)(ii) [redacted]

Conclusion

MUMA welcomes the challenge to be at the forefront alongside key agencies to address this important issue, stand up clients and their whanau using culturally responsive approaches and provide a sustainable level of security and trust for our community.

Thank you for your reply.
I am not so concerned whether the funding comes from OT or Police provided the funding is ringfenced. Given the facilitation of this innovation being through Te Pae Oranga and the need to get onto this asap, it might be more judicious for the funding to be transferred to Police, rather than wait another two weeks.
I can meet in Wellington with you both and our team can Zoom in if you would like to talk to them. If you want to meet at Waatea or Korowai Manaaki, then my team and I are flexible. Whatever suits you and Wally.

I'm very keen to get moving as well. I'm very keen to meet, but we've got to work out with Police the mechanics for the funding. For example – my proposal is that I fund your proposal via a transfer to Police (but I need Police to agree to that). I can fund you directly via a contract – but that will take a couple of weeks. You tell us what works best for you. But, probably important that we meet early next week to work through the details. You invite who you need and I'll bring my team and Wally you bring [redacted] Thanks!

I hope you are well. I am following up on Chappie's last email re MUMA's contract that should now be with the Police. [redacted]

For us to access and commence working with the other tamariki, Oranga Tamariki staff at Te Korowai Manaaki have requested that they receive proper delegation from you. They will not allow us access until that is formally provided to them.

Can you please issue that directive to the General Manager Parani Wiki as soon as possible. [redacted] ✉ **E:** parani.wiki@ot.govt.nz

On the matter of our contract for this work, I am assuming that as you are intending to transfer the funds to Police (c/- Wally), our contract will be with the Police. Can we please meet to get this on foot next week?

I can be in Wellington next Tuesday 22/nd November. Is it possible for the three of us to meet anytime that day or night? Please advise

Tena koe Chappie,

1. It has been over two weeks now since we last met and both Wally Houmaha and I have yet to receive advice from you regarding the TPO/Whanau Harm contract for Police and MUMA.
2. The TPO/Whanau Harm contract is an innovation that focusses on youth offenders and engages them in the TPO process with wraparound support for them and their whanau.
3. At our meeting you agreed to confirm the TPO/Whanau Harm contract sum and get your staff to transfer the funds to Police so that Wally and his staff can then directly contract MUMA to work on the contract.
4. You also committed to signing a directive to OT staff at Te Korowai Manaaki and Whakatakapokai residential units to enable MUMA staff assigned to this contract to access those premises and work with the nominated tamariki.

Why we need to urgently sign off on the contract:-

5. We are running out of time to get this done before agencies shut down for Christmas and as you know the Christmas period is hectic in South Auckland particularly for youth offenders.
6. [redacted]

Please can you make this a priority this week and get back to Wally and I asap.
