Thank you for your email of 30 October 2020 to Oranga Tamariki—Ministry for Children (Oranga Tamariki), requesting the following information under the Official Information Act 1982 (the Act):

- *I would like to request a list of project reports completed by Oranga Tamariki for the North Shore and Rodney areas between 1 May 2020 and 29 October 2020.*

Between 4 November and 10 November 2020, we corresponded with you in order to clarify what specific information you were requesting. This culminated in a phone conversation between yourself and Michael Cummins – Partnering for Outcomes Business Manager, on 10 November 2020, where it was agreed you were seeking a list of *all the services funded by Oranga Tamariki* within the North Shore and Rodney areas.

Please refer to Appendix One for a list of all services funded by Oranga Tamariki in the North Shore and Rodney areas, during the 2019/20 financial year and the 2020/21 financial year to date. We have taken care to only include providers who deliver services in North Shore and Rodney, or who are based in these areas; however, as providers may deliver services within these areas but not be based there or deliver services across a number of areas within New Zealand, we may have missed a small number of providers that should have been included.

Oranga Tamariki intends to make the information contained in this letter and any attached documents available to the wider public shortly. We will do this by publishing this letter and attachments on our website. Your personal details will be deleted and we will not publish any information that would identify you as the person who requested the information.
